PRACTICE COMPLAINTS PROCEDURE

If you have a complaint about the service you have received from any member of staff working in this practice, please let us know. The practice operates a Complaints Procedure as part of the NHS system for dealing with complaints. Our complaints system meets national criteria.

Note: If you make a complaint it is practice policy to ensure you are not discriminated against, or subjected to any negative effect on your care, treatment or support.

HOW TO COMPLAIN

In the first instance please discuss your complaint with the staff member involved at the time. Where the issue cannot be resolved at this stage, please contact Fiona Mullin—Complaints Manager as soon as possible. She will try to resolve the issue, and where appropriate, will give you further information about the complaints procedure.

If it is not possible to raise your complaint immediately, please let us have details of your complaint within the following timescales:

- Within 12 months of the incident that caused the problem
- OR
- Within 12 months of discovering that you have a problem, provided this is within 12 months

The practice will acknowledge your complaint within three working days, and will aim to respond within 30 days of the date you raised it with us. Should we not be able to meet this target Fiona (or her deputy) will contact you to explain the reason for the delay and advise on timescales going forwards.

When the practice looks into your complaint it aims to:

- Ascertain the full circumstances of the complaint
- Make arrangements for you to discuss the problem with those concerned, if you would like this
- Make sure you receive an apology, where this is appropriate
- Identify what the practice can do to make sure the problem does not happen again
