INFECTION CONTROL ANNUAL STATEMENT 2018

Purpose

The annual statement will be generated yearly. It will summarise:

- Any infection transmission incidents and action taken (these will be reported in accordance with our Significant Event procedure)
- The annual infection control audit summary and actions undertaken
- Details of staff training (both as part of induction and annual training) with regards to infection prevention & control
- Any review and update of policies, procedures and guidelines.

Background:

The University of Reading Medical Practice lead for Infection Prevention /Control is Alison Allder - Nurse who is supported by:

Lorraine Watkinson, Operations Manager

This team keep updated with infection prevention & control practices and share necessary information with staff and patients throughout the year.

Significant events:

In the past year 2018 there have been no significant events that are related to infection prevention & control.

Audits:

Infection control audits were undertaken by: 
Alison Allder & Lorraine Watkinson on the 16th July 2018

Actions from this included:

Replacement of Phlebotomy chair in room GO1 – small tear identified on inspection
Replacement of 3 clinical trolleys in rooms GO1, 110 & GO7 – small chips on the work surface identified upon inspection
